

Fly The Aircraft First!

We have heard the term that the pilot's job is to Aviate, Navigate and Communicate, in that order. This program is designed for us to look in detail at what the "Aviate" portion of that really means and some tips to help us get better at it.

Directions: The TX DPS hangar is located on the SW corner of the intersection of Georgia and the S. Loop

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
